Info@pinesbiblecamp.com

These past few weeks at Pines Bible Camp have been exceedingly difficult as we navigate the COVID-19 situation. The impact of this pandemic is felt by our entire province, having a significant effect on Pines' ability to provide programming and retreats this spring for our community, schools, and family groups who typically visit each year. Considering all of this, and the trend to maintain physical distancing for the foreseeable future, the Pines Bible Camp leadership has made the difficult decision to suspend our summer camps for the 2020 camping season to protect the health and well-being of our campers, staff, volunteers and our communities.

While we are not planning for our traditional camps, including all overnight and day camps, we are planning alternative ways of sharing a camp experience with you this summer. We are hopeful that we will be able to provide some on-site camp as well as some virtual activities via our social media platforms.

For those who have paid all or part of the registration fees, the following options for your payment are available to you:

1. Full refund
2. Defer the payment to next summer's camp
3. Donate all or a portion of the fees paid (donation receipt will be provided at year's end)

I understand these are difficult financial times and we will do our best to refund fees within 30 days of your request. We are working closely with our registration software provider and credit card processor to ensure your requests can be handled efficiently. Please reply to this email with your choice.

Thank you for your commitment to Pines Bible Camp. We appreciate your prayers and gifts through the years and now through these unprecedented times. If you are considering ways to support Pines, please let me know.

Blessings,
